DESIGN Umberto Asnago – 2015

Tavoli. I piani sono realizzati con pannelli di nobilitato (per la versione in cuoio o pelle) o di particelle di legno (per la versione impiallacciata). Le gambe sono in poliuretano rigido realizzate in stampo e rivestite in cuoio o pelle e appoggiano su una piastra di acciaio verniciata in colore nero.
Cuoio e pelle. Le cuciture sono disponibili solamente nella versione in cuoio; nella versione in pelle non sono disponibili. In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso può variare in maniera sensibile.
Essenze disponibili di serie: noce canaletto rigato, tipo ebano. Altre finiture disponibili solo su richiesta.

Tables. The tops are made with black melamine coated panels (for the saddle leather and leather version) or particleboard panels (for the veneered version). The legs are in rigid poliurethane cold formed in mould and covered in saddle leather or leather, laying on a black painted metal sheet.
Saddle leather and leather. The stitchings are available only in the saddle leather version; in the soft leather version they are not available. Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.
Standard wood veneers available: striped black walnut, ebony type. Other finishes available only on request.
