

DESIGN Umberto Asnago – 2015

**Poltrone.** Struttura in multistrato di faggio curvato in stampo. Braccioli e fianchi interni imbottiti con lastre di poliuretano espanso schiumate a freddo in stampo; schienale e seduta in poliuretano espanso con densità di 25 e 30 kg/m<sup>3</sup> esente da CFC e ricoperto da ovatta poliestere. Rivestimento disponibile solo in pelle. La poltrona è disponibile rivestita completamente in pelle oppure con parte interna rivestita in pelle e parte esterna in essenza o laccata colore RAL a scelta.

**Basamento.** Basamento a 5 razze in alluminio pressofuso lucido, girevole regolabile in altezza tramite pistone a gas e dotato di meccanismo basculante. Disponibile anche una versione con elementi di massello di noce canaletto fissati al basamento.

**Essenze disponibili di serie:** noce canaletto rigato e tipo ebano. Altre finiture disponibili solo su richiesta.

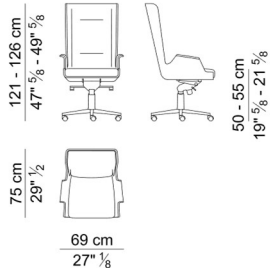

**Armchairs.** Frame in beech plywood panel curved into a mould. Armrests and internal sides padded with polyurethane foam sheets cold formed into a mould; backrest and seat in CFC-free polyurethane foam with density of 25 and 30 kg/m<sup>3</sup> covered with polyester wadding. Upholstery available only in soft leather. The armchair is available completely covered in soft leather or else with the internal part covered in soft leather and the outside in wood or lacquered RAL color.

**Base.** 5-star swivel base in die-cast polished aluminum, height adjustable through gas-piston and equipped with a tilt mechanism. Available also a version with solid black walnut wood elements fixed to the base.

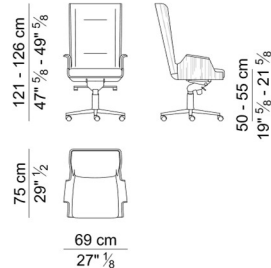

**Standard wood veneers available:** striped black walnut wood or ebony type. Other finishes available only on request.
