DESIGN Luca Scacchetti – 2011

Struttura. In multistrato di faggio curvato in stampo. L'imbottitura della struttura è ottenuta con poliuretano espanso indeformabile esente da CFC schiumato a freddo in stampo. La parte esterna è disponibile imbottita, impiallacciata in essenza tipo ebano o laccata in colore RAL.
Cuscino. In poliuretano espanso indeformabile ed esente da CFC.
Base. In tubolare d'acciaio cromato o verniciato a polveri epossidiche in colore RAL a scelta. La base dello sgabello è girevole, regolabile in altezza e disponibile solo cromata.
Rivestimento. Disponibile solo in pelle; non sfoderabile.

Frame. In beech plywood curved into a mould. The framework is upholstered with CFC-free polyurethane foam cold formed into a mould. The outside frame is available upholstered, veneered in ebony type wood or lacquered in any RAL color.
Cushion. In resilient CFC-free polyurethane foam.
Base. In tubular steel chromed or epoxy powder varnished in any RAL color. The base of the barstool is swivel, height adjustable and available only chromed.
Covers. Only available in leather; non removable covers.
