DESIGN Guido Faleschini – 1974

Piano. Il piano in cristallo fumé appoggia su una struttura in tubolare d'acciaio rivestita in tessuto tecnico Suede Tiffany e fissata alle gambe.
Gambe. In lamiera d'acciaio inox lucido o verniciato a polveri epossidiche in colore nero opaco.
Mobili. La struttura dei mobili e delle cassettiere è realizzata con pannelli di particelle di legno rivestiti in tessuto tecnico Suede Tiffany. Le ante sono disponibili in cristallo fumé oppure rivestite in tessuto tecnico Suede Tiffany; i cassetti invece sono disponibili solo rivestiti in tessuto tecnico Suede Tiffany; i cassetti sono realizzati in pannello multistrato di faggio laccato nero opaco. Dettagli metallici in alluminio lucido o verniciato in colore nero opaco.

Top. The top in smoked glass rests on a tubular steel frame covered in technical fabric Suede Tiffany which is itself fixed to the legs.
Legs. In stainless steel polished or painted in matt black epoxy powder color.
Cabinets. The structure of the cabinet and of the pedestal is made with particle board panels covered in technical fabric Suede Tiffany. The doors are available in smoked glass or covered in technical fabric Suede Tiffany while the fronts of drawers are available only covered in technical fabric Suede Tiffany; the drawers are made of matt black lacquered beech plywood. Metal details available in aluminum polished or matt black painted.
